

FRIDAY, MAY 28, 1880.

Official Paper of the City and County.

BRIEFERS.

—Temperance night.

—See advertisement of house to rent, on Jackson street.

—The streets ought to be cleaned up before Decoration day.

—"Josh Whitcomb" will make fun for all at the Opera house, to-night.

—The Good Templars are to give a dime entertainment at Cannon's hall to-night.

—The West Side engine house is to have a flagstaff to fly its bunting from. A long felt need, etc.

—The Knights of Pythias met last evening, and decided positively to join in the parade on Decoration day.

—The public schools close to-day, until next Tuesday morning. Monday is Decoration day, and that's the "why."

—Peter Myers has purchased a fine set of furniture of Britton & Kimball, for use on the stage of the Opera house.

—The case of William Jones, charged with resisting an officer, will be concluded before Justice Nolan to-morrow.

—Will Lake arrived this morning, called hither by the news of the death of his wife's brother, Charles G. Veeder.

—The Knights of Pythias are to form in line next Monday, at the corner of Court and Sinclair streets, the same as last year.

—Hon. H. A. Patterson goes to Sharon to deliver the address for Decoration day, which is to be observed there to-morrow.

—The funeral services of the late Charles G. E. Veeder are to be held at the family residence next Sunday afternoon at 2 o'clock.

—The Presbyterian Sunday School in this city was organized twenty-five years ago this month, and next Sunday they will celebrate the event.

—Chief Engineer Johnson, of the Chicago & Northwestern railroad, is in the city, looking after the proposed side track, and other interests of the company.

—The Beloit Fire Department has elected torch boys, and have voted money to uniform them—white flannel shirts trimmed with red, black pants and red belt.

—Young Lyon, who was so badly injured by being kicked by a stallion, lies in a semi-conscious condition, and his chance for recovery seems slightly better, but still there seems but little hope for him.

—A young fellow, fighting drunk, wasted a good deal of breath, and drew a crowd on West Milwaukee street, yesterday afternoon, and it was some time before any officer could be found to clear the sidewalk.

The water works at the cemetery were started up in full force yesterday, and every feature and detail of the enterprise is a grand success. It is fortunate that the work could be completed by Decoration day.

—The Milwaukee and St. Paul depot at Beloit caught fire yesterday noon, but the flame was suppressed. It is thought to have been the work of an incendiary, but then that is what is always thought when the cause is not self-evident.

—The Fire Department has purchased, through the Gazette two handsome flags, nine by sixteen feet, and will fly them on Decoration day. Those who desire to purchase flags for the campaign can get them from the Gazette on very reasonable terms.

—Dug King, connected with the post-office department, is looking up the matter of the Black River Falls postoffice robbery, where a safe was blown open and \$600 in stamps, a gold watch, valuable papers, and \$50 in cash was stolen.—Chicago Times.

—A piece of scaffolding at Bennett's new building gave way this morning, and two or three men were dumped down among bricks, mortar and stone, without any warning. It was several minutes before they could be released, but they finally crawled out of the debris without a scratch or a break.

—Everett W. Fish who is to lecture on "The Pyramids," at Cannon's hall next Wednesday night, was formerly Professor of chemistry in Palis Medical College, Cincinnati, and is the author of a work on "The Egyptian Pyramids, an Analysis of a Great Mystery." The Inter-Ocean says: "He has made a thorough study of the subject."

—The Trustees of the Oak Hill Cemetery Association suggest that anyone who feels inclined to pluck flowers, steal plants, or commit any such depredations on the grounds, ought to read up the law. The law is a very severe but just, and it will surely be executed, without regard to person, in the case of the first pilferer who is caught engaged in this despicable business.

—Mr. Woodruff and Mr. Rexford have kindly consented to have a large field, owned by them, near Mr. Rexford's house, used for a parade ground on Decoration day, and the Battalion on the return from the cemetery, will have a dress parade there. None but the members of the battalion will be allowed within this enclosure, and the public is warned not to attempt to enter the grounds, and not to climb up on the fences, and break them down. Officers will see that this request of the Chief Marshal is to be strictly enforced. There will be ample opportunity for all to witness the parade, by standing in the streets.

Newly furnished, everything the best, Astor House, New York.

THE CONVOCATION.

To-day is the last one of the session of the Madison Convocation. This morning Rev. R. D. Puffer, of Plattville, preached a sermon which is spoken of by all who heard it as a very able one indeed. His theme was "The Personality of God." This afternoon the question of the itinerancy is being discussed, it being opened by an essay in favor of the system, by Rev. P. B. Morrison. This evening Bishop Wells is to preach in Christ Church, which will be the closing gathering of the session.

ANOTHER RAILROAD.

A Move to Build an Extended Side Track for the Accommodation of Factories and Mills.

There is a move on foot for the building of a side track of the Chicago & Northwestern, branching out on the East side of the river, crossing on a pile bridge, to be built near the present railroad bridge, and then running alongside of the race on the West side of the river. This will bring the cars almost to the doors of many of the manufacturing and mills, and increase their shipping facilities greatly. A meeting of those citizens interested in the project was held yesterday afternoon, and a committee was appointed to further the accomplishment of the plan, said committee consisting of Dr. Henry Palmer, C. W. Hodson, Henry A. Doty, F. G. Stevens, and O. C. Ford. Some facts and figures were gathered showing the advantages to be gained, and establishing a basis for estimating the value of such a side track. Among other things it was ascertained that 5,000 cars, or more, were used in a year by those interested in this move, and the cost of loading and unloading a car was about \$4, so that the cartage now paid by those who would be benefited by its sidetrack would amount perhaps to about \$20,000. By a sidetrack much of this would be saved.

Superintendent Cuyler, of this division of the Northwestern road, arrived this afternoon to consult with the Committee, and to get facts and figures upon which the company can base some sort of a proposition. What the proposition is will be made known in due time.

The question as to whether the side track will cross Milwaukee street and be pushed as far as the Harris works has not been considered very much yet, but some seem to favor a plan for running the track there, and using horses instead of steam, to do the switching, so as to avoid the objection raised about an engine crossing Milwaukee street. The main track now seems to be on the side track as described, and stopping before it reaches Milwaukee street.

SOCIAL SETTLES.

The old settlers reunion in the town of Turtle was held yesterday afternoon. The day did not open very propitiously but by noon the heavens cleared up, the weather moderated, and the crowd gathered to the number of about seven hundred persons. The town hall was packed to overflowing, and a large number gathered in the adjoining grove. A beautiful dinner was served of which all partook with a keen relish. A band was present to enliven the folk with stirring music, and Hon. H. A. Patterson of this city, delivered an address well fitted for the occasion, and which was eagerly listened to and heartily applauded. A number of the old settlers also spoke, relating various experiences of the past, and adding much to the interest of the occasion. It was a most successful and enjoyable rally, and the gathering included many of the most prominent and most highly respected citizens of the county.

FOOTLIGHT FLASHES.

There was a good sized audience gathered at the Opera house, last evening, to greet the return of Florence Herbert and her company. "Miss Mutton" was presented, a five act play, which has already won for itself an extended popularity. The play is one of those emotional ones, depending on the merit of the cast, rather than any scenic effect. The company showed themselves strong and well balanced. Florence Herbert took the title role, and made a charming success, in some parts doing some really grand work. Harry Wentworth and Frank Cotton did some very fair work, and the other members of the company supplemented well the efforts of this trio. There is nothing marvelous in the company, but they form a very pleasant combination, and afford a charming entertainment. To-night they appear in "Josh Whitcomb," a play which is crowded to overflowing with fun.

COPE AT BERLIN.

Homer D. Cope, who is to give his impersonations of Damon and Pythias at the Opera house next Monday evening, evidently captured Berlin, Wis., as will be seen by the following from the *Courant* of that place:

The announcement of the new entertainment called out a large audience who were deeply interested in noting what it was possible for one man to do, viz.: to take a dozen characters so at variance with each other and carry them through as did Mr. Cope on this occasion. We feel justified in saying that nothing equal to this has ever been put on the stage in this city.

IN MEMORIAM.

The following resolutions of respect and condolence have been adopted by the members of the Pacific Lodge I. O. O. F. on the death of their brother, Henry Pierce, of Clinton:

WHEREAS: The Great Master and Ruler of the universe has been pleased to summon from his earthly cares and labors amongst us our late Treasurer, Henry Pierce, to the Superior Lodge above, a man of sterling integrity, faithful in all the varied relations of life; who shrank from no responsibilities, but was true to his every obligation, the probity of whose character exhibits to the world a bright and beautiful exemplification of the purity and perfection of our beloved order; a staunch friend, an affectionate husband, a good man, the savor of whose kindly offices done to the wayfaring and stranger will keep his memory fresh and green in the hearts of his fellow men, long after the mortal frame has mouldered to dust within the silent tomb. Therefore be it

Resolved: That by the death of our well beloved brother, Henry Pierce, Pacific Lodge, No. 55, I. O. O. F., mourns the loss of an upright and true Brother, one whose efforts were always devoted to the promotion of the welfare and good of the Order; and to the community at large a kind neighbor, a patriotic citizen, an honest, energetic and straight forward business man.

Resolved: That in this visitation of Divine Providence, we would extend to the friends of our deceased brother, and to that wife who now sits desolate in the shadow of her great grief, our heartfelt sympathy in her time of supreme sorrow and affliction.

and while we are sadly conscious how ineffably weak are all our words of sympathy to afford relief to mourning friends, yet we would with faith and trust point them to one who has said that He would be a father to the fatherless, and the widow's God.

Resolved: That these resolutions be spread upon the minutes of this lodge, and a copy be sent to the family of our deceased brother, and to the Rock County Republican, Beloit Free Press and Janesville Gazette for publication.

Excessive Heat

and improper food at this season of the year may speedily carry you to the grave. CITY NOTICES.

Many clergymen who were obliged to withdraw from the pulpit on account of "Clergyman's Sore Throat," have recovered by using Fellows' Syrup Hypophosphites and are preaching again. This preparation seems peculiarly and wonderfully adapted to disease of the breathing organs.

You Never Heard a Dentist say that SOZODONT was not a good article to preserve the teeth and gums. This fact is not to be controverted. What gives it such prominence as a curative wash? It is compounded, after years of scientific plodding, of materials calculated to harden the gums, remove the septic acid, and avoid putrefaction.

Soil ladies say of BRADSHAW'S GLUE. They use it to make Lovers stick.

A Case of Thirty Years' Standing.

East Aurora, N. Y., May 24, 1878.

Messrs. Sells, W. Fowle & Sons:

Gentlemen—I was troubled with dyspepsia for thirty years, and tried several medicines advertised for the cure of this distressing complaint without deriving any benefit from them. About a year ago I commenced taking the PERUVIAN SYRUP, and after using altogether twelve bottles I find myself entirely cured. I consider my case one of the worst I ever heard of, and I take great pleasure in recommending the PERUVIAN SYRUP to all dyspeptics, believing that it will be sure to cure them.

Yours Respectfully,

J. T. BOWEN.

REMOVAL!

AND GREAT CLOSING OUT SALE OF \$75,000 WORTH OF DRY GOODS, MILLINERY & CARPETS.

McKey & Bro.

Having leased for a term of years the building now being erected by A. P. Bennett, Esq., on the corner of Milwaukee & River streets in this city, WILL COMMENCE IMMEDIATELY the greatest closing out sale ever known in the mercantile annals of Wisconsin.

Description of McKey & Bro.'s New Store.

The block will be 44 feet in front by 130 feet in depth, three stories high with a basement. It is to be built of Milwaukee pressed brick with Joliet cut and stone trimmings, and when finished it will be the handsomest building in the city. McKey & Bro. will occupy the whole of the first story and basement. The front will be finished in black and gold, with French plate glass windows. A series of circular windows over the shelving on the River street side will furnish a uniform volume of light for the whole store. The counters and shelving are to be made after the most approved modern designs. The front of the store, 100x42, is to be used for the display of Dry Goods and Millinery, while the Carpet department will occupy the rear part, 30x42, raised three steps above the front level. The basement with a high ceiling and admirably lighted by numerous windows in front and rear, and along the River street side will be utilized for storage and wholesale purposes. The office will be in the southwest corner, and is to be provided with a fire proof vault and appropriate furniture. This will be, when completed, the most elegant mercantile establishment in the State, and having been built expressly for a first class Dry Goods Store, without regard to expense, it will be absolutely perfect in all its appointments.

TO THE PEOPLE!

Having concluded to open their new store with an entirely fresh stock of goods, McKey & Bro. have determined to CLOSE OUT in the meantime every dollar's worth of DRY GOODS, MILLINERY and CARPETS now on hand.

This sale is absolutely peremptory and will involve the GREATEST SACRIFICE of goods ever known in the West. McKey & Bro. fully realize the necessity of outting down prices in order to effect so large a sale in so short a time. They will, therefore, contemporaneously with the publication of this announcement make a general and comprehensive reduction in prices in every department of the house.

Every person in Rock county needing supplies of Dry Goods, Millinery or Carpets is invited to participate in the benefits of this great sale. No such opportunity is likely to occur again in the life time of any one now living. This is no humbug gotten up for diversion or to deceive the people, but is on the contrary a BONA FIDE sale, made imperative by the circumstances already narrated. Every Mechanic, Artisan, Farmer and everybody engaged in business or professional pursuits can and ought to save money by buying their goods of McKey & Bro during the next 60 days. The store now occupied by McKey & Bro., being Nos. 24 and 26 Main street, is to rent from and after September 1, 1880.
